**District 6 Councilmember Donna Frye  
To Kick Off Clairemont Senior Home Repair Contest**

K-CO Construction, Inc., located in Clairemont, will host District 6 Councilmember Donna Frye this Thursday morning, June 1st at 9AM as she helps kick off a Senior Home Repair Contest.

K-CO, a construction and remodeling company, wants to "give back" to the community that has been the source of so much of their success so the company is holding a contest to find a senior citizen in Clairemont that needs help with a home repair task. The prize is up to \$1,000 in home repairs from K-CO.

As company owner Dave "K" Konstantin says, "I know there are seniors here in Clairemont without family nearby or without the financial ability to hire someone to take care of minor home repairs. We're asking our community to help us find someone we can help this way."

Sample projects might include installing new locks, fixing a roof leak, replacing non-functional windows, resolving plumbing problems, installing grab bars or other handicap aids, or touching up paint.

Dave will select 5 finalists from the entries received. He will visit the finalists' homes and inspect the work to be done. District 6 Councilmember Donna Frye will review the finalists' entries and choose the winner.

The Senior Home Repair Contest runs from June 1st through July 15th. The winner will be announced at Clairemont Family Day, July 29<sup>th</sup>.
